

Sports premium grant expenditure: Report to Governors: 2016/17

Academic year 2016/17

Spending:

The school received a grant of £9,795.00 for primary school sports in the academic year 2016-17. This money will be used in a number of different ways to support the provision of improved quality of sports and PE for all pupils:

How we are spending the funding:

Activities / initiatives	Used
Specialist teaching	√
Qualified sports coaching	√
After school/ lunchtime sports clubs	√
Professional development cover release	
Cover release for teacher to take children to competitions	√
Transportation to local schools for competitions/ events	√
Resources	√
Professional development opportunities (courses/fees)	

Impact of primary school sports funding 2016/17

- This is resulting in all children having access to timetabled activities of general fitness coaching/activities during lunchtimes across the school.
- Provision of free sports clubs after school. This currently takes place 3 times a week for up to 20 children per session. So far approximately 9000 sessions have been offered since January 2013.
- Children report that they enjoy the expert tuition provided by the Sports coach and they feel their skills have improved.
- More children have had the opportunity to take part in local competitions during the school day as the transport has been paid for rather than relying on parental support.
- Children have been given the chance to take part in sport they wouldn't ordinarily have done so e.g. cheer leading, tag rugby, archery.
- Cover for staff to attend additional local competitions for children across Key Stage 2.
- Children in years 2 & 3 have the opportunity to attend free swimming lessons to either teach them how to swim or develop their swimming techniques further.
- New netball and football kits enable children to compete within local competitions.
- Newly acquired resources e.g. basketball ring, footballs and goals give children additional facilities with which to play.
